PUBLIC NOTICE

SUBJECT: CALL FOR ENROLLMENT

The Cameroon Baptist Convention (CBC) Health Services through its Institution for Private Higher Education in Cameroon with Special Authorization to Create and Open No: 22-04505/L/MINESUP/SG/DDES/ESUP/SDA/MP by the Minister of State for Higher Education, informs the public that enrolment into the Baptist School of Public Health Mutengene has been launched in the 4 year Bachelor Degree Program in Biomedical Engineering Technology (Medical Equipment Maintenance and Management) for the academic year 2023/2024.

The CBC Health Services is changing the paradigm of Biomedical Engineering Technology Education in Cameroon. Biomedical Engineering Technology is the application of Engineering and Biomedical Sciences Principles to the medical field. It combines the design and problem-solving skills of engineering with medical and biological sciences to help improve patient health care and the quality of life of individuals. Students shall gain hands-on exposure and experience in our state-of-the-art Biomedical Engineering Laboratories and Hospitals all over the Country managing medical equipment.
